

Ingman Marine

Description:

A very large, beautiful showroom houses our boats, motors, and personal water craft (Waverunners) of all sizes and price ranges. Our outstanding boat lines include the following : Cobia, Contender, Back Country, Hewes, Legacy, Gill Boats, Pathfinder, Polar, Waverunner, and many quality used boats. The engines that we carry include Yamaha, Evinrude and Mercury.

Our Sales Department at Ingman Marine will help you make that exciting and fun boat purchase by providing you with informative, honest and friendly service. Buying a boat is a big step and a boat buyer must be educated to make a smart choice. Financing can be arranged through the dealership which makes the purchase even easier.

Ingman Marine has a Service Department that is full of knowledgeable personnel ready to assist you with all of your boating needs. Our Service Department employs only certified mechanics who are educated continuously on the latest improvements in the industry. We have mechanics that are OMC Master technicians, Yamaha Master technicians and Yamaha Water Vehicle Technicians. We have several employees that have been with us for many years. Their loyalty and knowledge have earned Ingman Marine the title of a "Flagship Dealer" meaning that we are in the top 10% for customer satisfaction nationwide. We are very proud of that accomplishment and we strive to maintain that level of satisfaction each and every day.

Also, our Service Department can honor Mercury, Yamaha and other service contracts. The Parts Department at Ingman Marine is another advantage of being a full-service marine store. We have a huge inventory of parts, at all times, and can order just about any part that you might need for your boat or motor.

Probably the most important attribute of Ingman Marine is that we stand behind our products and our customers. Building good relationships with our customers promotes return business and success. Quality workmanship is top priority at our business. We invite anyone to come and visit our marina. We are sure that you will be impressed with our facility, inventory, professionalism, and personnel. We feel that we do a great job taking care of our customers

and their boats. We know that our customers are the anchor of our business and we truly appreciate them!

CUSTOMER SATISFACTION IS THE KEY!
